

## **You ' ve got a friend**

When you 're down and troubled and you need a helping hand  
And nothing oh nothing's going right  
Close your eyes and think of me, and soon I will be there  
to brighten up even your darkest nights

You just call out my name, and you know wherever I am  
I 'll come running to see you again  
Winter spring, summer or fall, all you 've got to do is call  
and I ' ll be there, you 've got a friend

If the sky above you, should turn dark and full of clouds  
and that old north wind, should begin to blow  
keep your head together, and call my name out loud  
Soon I ' ll be knocking upon your door
